Click this link to view Flookburgh CE Primary School's P.E. and Sports Premium Review of Expenditure for 2018-2019

School PE and Sports Action Plan 2018-19 Key Development Areas	Cost	Impact
Develop P.E. knowledge of Teaching Staff including, the P.E. Subject Leader	£1365	Staff accessed high-quality CPD which ensured the delivery of good quality P.E. and Sporting sessions throughout the school. Assessment and tracking of pupil achievement continues to be development priority moving forward through the use of the ACPAT Tracker
Promote Healthy Lifestyles for All	£750	Children have a good understanding of how a variety of activities have benefits for health and well-being. Children understand that being 'active' can take a variety of forms and can be done at any level and age
Increase Opportunities for Competitive Sports	£700	Through our local cluster partnership of schools, children's opportunities to take part in inter-school sporting events has increased. Pupils who have excelled in particular areas, such as distance running, have represented the school at a County level and at a National level
Increase Physical Activity during playtimes, including during the Lunch break and Provide, and enhance, P.E. resources	£8646	The instalment of a new and challenging climbing frame to develop, amongst other things, our pupils gross-motor skills, raise self-esteem and confidence and introduce challenge has ensured that there is a greater range of equipment for use throughout the year.
