Exciting news for our families...

From Monday 20th April, in order to support families with early years children, Cumbria Early Years Team will post a simple daily activity for the children and families to try together at home - ‘what can I do today?’ A new activity will be posted each morning on the Children and Families Information Service Facebook page. Just search the page name to find it!

There are also three useful websites below to help families find more activities to try with their children. The activities are all no cost and can be done with everyday objects that you find around the home:

- https://hungrylittleminds.campaign.gov.uk/
- https://www.parentclub.scot/articles/play-talk-read
- https://www.bbc.co.uk/tiny-happy-people

We hope that families will enjoy these activities and spending time together.

For further information on home learning please visit our webpage at:

We hope these activities are useful for you! If you need any more help with activities, please do not hesitate to contact your Class Teacher on SeeSaw.

Stay well and keep smiling!
