## BOOK OF THE WEEK

Can You See Me – Libby Scott & Rebecca Westcott

"I've been hiding part of myself for a while now. It's hard to expose the bits that I've been made to feel uncomfortable with"

Tally is Autistic, but she hides it as much as she can. She knows how uncomfortable people are around her – they don't understand autism. They don't understand her.

By masking her autism, Tally is hiding her real self. But when your real self is fierce and wonderful, it can't stay hidden for ever.

## Music Recovery Programme Y1-4

We have also begun a 'Music Recovery Programme' with pupils from Years 1 to Year 4 as part of a DfE initiative, again through Cumbria Music Service, which recognises that high-quality music education strengthens and supports children with their emotional wellbeing. We're a very pro-active school with regards to our children and families' wellbeing and this initiative supports our work as a Cumbria Mental Health Champion School. So, our younger children have, so far, been loving their fun, outside, sessions based around playground games and songs with the older children learning the, *Samba!* More on this next time!

## Philosophy for Children PC4

Miss Horne and Mrs Robinson have been looking to bring Philosophy for Children (P4C) into the classroom. The idea behind this is to bring imagination and reasoning into the classroom by exploring values, assumptions and vital concepts such as justice, truth, knowledge and beauty. So far, it's been thought provoking and exciting to think of how this will transfer into each of our classes. It begins with a stimulus to get you thinking and then leads to a question being formed where one is then debated. We can't wait to share some of the questions we come up with in our classes and see what discussions they open up.

## Thy Kingdom Come

Our KS2 children have been enjoying a week-long prayer journey that has allowed them to think about the special people in their lives that they would like to speak to God about. We have had Mrs Wymer lead us during collective worship each day for the past week, in which we have listened to stories, sang and watched some videos about 'the cheeky pandas'! All the children have loved the tasks on their interactive prayer mats and have responded well to the questions and big ideas we have discussed. We would also like to thank Mrs Wymer for all her hard work over the past weeks to prepare us and provide us with these valuable resources.
