CLASS OF THE WEEK CLASS 3: Class 3 have been very busy this week - single-handedly saving the world!

We have written to David Attenborough to tell him about all the hard work we are currently doing and have asked him to suggest other ideas that we could do in school. We enjoyed our joint learning morning and have used this to show everyone the dangers of plastic by wrapping a giant dolphin in a fishing net.

We are working hard to recycle in class and minimise our plastic. We have also loved watching Blue planet!

SPORTS DAY: The weather certainly could not dampen our spirits on Monday morning – we had a fantastic, fun-packed, Sports Day watched by a large crowd of our parents and extended families who braved the weather and cheered on the children as they took part in all of the races and fun events. We even managed to entice our parents into a ‘Mums and Dad’s’ race! Thank you to all of our parents who took part in this – the children really enjoy it; it has certainly become one of the highlights and eagerly anticipated events on the Sports Day calendar!

As part of Sports Day we also take great pride in, and value, sportsmanship and, with this in mind, all of the staff were watching and listening throughout the morning for those children who displayed this very important attitude.

It was a very difficult decision but, we all agreed that the following children consistently displayed this quality throughout the morning and deserve our special Sports Day Sportsmanship Certificate:

Congratulations!

Oliver Pearson; Jake Rowlandson; Lily Lloyd and Holly Lloyd

A huge thank you to all of the staff too for the hard work that they put into to setting up the event very early on Monday morning and, in particular, to Miss Horne for organising the teams and the overall running of Sports Day.

Thank you too, to FoFs for providing very welcome hot drinks for our parents and cold drinks for the children.

KS2 KARATE ASSESSMENT – ORANGE BELT: All of our KS2 children took part in their initial Karate assessment for their orange and white belt on Monday 1st July however, Sensai Natalie, our Karate Instructor, was so impressed with the children’s skills that she was able to assess them all for their orange belt, which they all achieved! Well done children; a supper effort. Thank you too, to all of the parents and extended family who were able to come along to watch and support their children during the assessment; it was lovely to see so many of you there.
