Dear Parents and Families,

We hope that you enjoy our 'new-look' Newsletter – much thanks must go to our school administrator, Mrs Gleadow for all her hard work on this. Lots of our pupils' daily activities and experiences can be found on our Facebook page which we know is used extensively looking at the number of 'likes' and 'shares' so, thank you to everyone for promoting our school as you are. As such, our weekly Newsletter will be short on length but big on quality information!

If you would like us to share items on our newsletter, please let us know and we'll allocate a space!

As always, stay safe and take care, Gill.

BOOK OF THE WEEK

After the War – Tom Palmer

"It's the best children's fiction book I've yet read about the Holocaust" – Tim Robertson, CEO of the Anne Frank Trust UK.

Summer 1945. The Second World War is finally over and Yossi, Ben and Mordecai are among three hundred children who have arrived in the English Lake District. Having survived the horrors of the Nazi concentration camps, they've finally reached a place of safety and peace, where they can hopefully begin to recover.

But Yossi is haunted by thoughts of his missing father and disturbed by terrible nightmares. As he waits desperately for news from home, he fears that Mordecai and Ben - the closest thing to family he has left - will move on without him. Will life by the beautiful shores of Lake Windermere be enough to bring hope back into all their lives?

Bright Stars

We are excited to inform you that we are doing a special project in Class 4 called Bright Stars. This is a competition across lots of schools to see who can 'make a difference' in their community. Our project is about making sure everybody feels included.

We have been inspired by the 'Pride of Britain' and have converted this into the 'Pride of Flookburgh'. We are planning to give people a little pick-me-up present if they have been nominated in the style of a 'hug in a mug'. We did something similar during the Winter lockdown when our pupils of Flookburgh School were at home, and it made them feel cared about and included.

People will be nominated for doing outstanding things in our area or if they are feeling like they need a friendly face if they are feeling a little lonely, especially during this pandemic.

In order to begin packaging the gift boxes, we are asking our families to help by donating some items of food and drink if they can. Any items are greatly appreciated where you can spare these resources but we have split out the contents to help us monitor supply.

- **KS1:** chocolate and biscuits
- **KS2:** Coffee, tea bags and books
- **Teaching Staff:** marshmallows and hot chocolate

Thank you for your support and look out for information on how to nominate in the coming weeks.

As part of the RSPB Wild Challenge and Mental Health Awareness Week, Reception and Class 2 have been completing lots of different outdoor activities. This week we explored our woodland, investigating bugs and their habitats.
