Dear Parents and Families,

What an eventful week; full of fun, adventure and for once, lovely sunny weather!

Our Year 5 and 6 loved their first day visit to Brathay near Ambleside and can't wait to return for their second on the 15th July – hopefully more jetty jumping will be on the planner for the day!

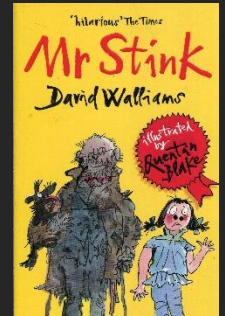

A huge thank you to those family members who were able to be part of our Sports Day events this week. We really appreciate your understanding surrounding the procedures and protocols we put in place to limit numbers, maintain social distancing and follow all of the COVID-secure advice during your time on the school site. It was so lovely to see you, although in a very much reduced number however, it made a huge difference to us all but particularly the children so, thank you all once again.

As always, stay safe and take care, Gill.

ALL COVID UPDATES WILL BE SHARED ON OUR SCHOOL WEBSITE: www.flookburgh.cumbria.sch.uk

BOOK OF THE WEEK

Mr Stink – David Walliams

Mr Stink stank. He also stunk. And if it was correct English to say he stinked, then he stinked as well...

It all starts when Chloe makes friends with Mr Stink, the local tramp. Yes, he smells a bit. But when it looks like he might be driven out of town, Chloe decides to hide him in the garden shed.

Now Chloe's got to make sure no one finds out her secret. And speaking of secrets, there just might be more to Mr Stink than meets the eye...or the nose.

Brathay Adventure Trip – Year 5 and Year 6

Class 4 had the BEST time on Monday for the first of our two residential days. We went climbing, canoeing, flag designing, orienteering and we even had time to play with a giant parachute! At first, we were all a little nervous, but as time went on everyone gave everything their best shot and there were smiles ear to ear while doing it. I think I speak for most of the class when I say the favourite part was jumping into the lake and I know that is something the children are keen to do again when we go back, so be prepared for more soggy clothes!! As always, we are incredibly proud of our Class 4 cohort, everybody told us what great company they were to be with. Hopefully, we will have just as much fun when we visit again in a few weeks

Class 1

Class 1 have been busy exploring their senses outside (vision, smell, taste, hearing and touch). The paint felt so lovely and soft between our toes!

"Nature inspires creativity in a child by demanding visualisation and the full use of the senses." – *Richard Louv*
