Dear Parents and families,

A fabulous end to our week with yesterday's Remembrance Service. A huge thank you to Miss Horne for being able to sort out the 'live streaming' of the service - it was wonderful to see how many of you were able to 'join' us and the lovely comments you made.

All of our children were fantastic, as you could see but, there has to be a very special mention for Mikey Anderson whose rendition of the Last Post followed by the reveille brought a lump to everyone's throat and a tear to our eyes. Thank you too, to Mitch Rowlandson for coming in to offer a little reassurance to Mikey as well as taking the time to do a bit of 'ad hoc tuition' with one or two other budding musicians we have after the service!

Finally, thank you to everyone for coming to Parents' Evening (Miss Horne will be in touch to rearrange for Y4/5). We loved having you in school and hope to be 'opening up' as soon as we can so, please bear with us, we are working very hard to get back to normal asap!

As always, take care and stay safe, Gill

Orienteering – Wainwright Class

Wainwright Class had a fabulous morning orienteering in our school grounds. They used specially prepared maps of our grounds to navigate and find specific locations following a course that Mrs Bell had set up early on Thursday morning. The children had a great time learning all about map reading and what the symbols mean and how to use them. They're already becoming quite the experts! Our second session this week, built on all the skills we have been learning, including new words and phrases such as, 'orientation' and 'walking through the map'!

The children were really excited once again and can't wait for next week for the last session on the school site before we set off to put all of our learning into practice at Cartmel Park and finally at Fell Foot.

Well done children, you were all fantastic!

Tower Wood – Tuesday 9th November

Wainwright Class

On Tuesday, Wainwright class ventured on their school trip to Tower Wood Outdoor Adventure Centre. Although it was very wet, we had the best time climbing fells and canoeing on Lake Windermere.

The view was fairly limited at the top of Gummers How, but the sense of achievement was quite special for our pupils and I know that lots of children were excited to bring back their families when the weather is better.

We also have some fantastic rowers, who enjoyed racing each other and playing water games. As always, we were incredibly proud of our budding little Wainwrighter's and we are looking forward to working with Tower Wood next year for the Outdoor Adventure sessions planned for Y5 and 6.

School Lunches – if you are wanting your child to have school meals, please ensure menu selections are made via ParentPay no later than 10pm on a Thursday evening for the following week.
