Dear Parents and families,

Well done to all of our award winners this week; you are all just amazing! And a very big Flookburgh School welcome to our new pupil, Diana, who has joined Wainwright Class this week in Year 4.

Thank you to all who have been sharing the wonderful things we do at our school via Facebook and word of mouth – we have had a lot of interest in our school lately, particularly our wonderful Nursery and Reception, which is always great news!

As always, take care and stay safe,

Gill

## BOOK OF THE WEEK

### The Soup Movement – Ben Davis

To aid his recovery from a life-threatening illness Jordan and his family move out of the city for a healthy new start.

Jordan's getting enough funny looks as the new boy at school as it is, without his Mum giving him homemade soup every day for lunch!

But when Jordan meets a homeless man called Harry, and gives him the soup, it is the start of an unlikely friendship.

Soon the two of them begin giving soup to the other homeless people around town and when his sister shares their antics on Instagram the #SOUPMOVEMENT begins-they even make it on the news!

**Breakfast Club; with Mrs Shaw and Mrs Pett. 8:00am – 8:45am**

Unfortunately, afterschool clubs are currently postponed however, we hope to have these up and running again as soon as we can.

## Number Day 2022

To participate in the annual NCPC number day, on **Friday the 4th February**, our school is celebrating with the theme "Maths is everywhere".

Children are invited to dress in anything mathematical, including a numbered football shirt, shapes on a shirt, a cardboard dice, a watch, calculator, or a fraction! This will show the children that maths really is everywhere and we will be collecting evidence such as timetables, cinema times and pizza fractions over the coming weeks. Children will also be participating in maths activities and telling their friends where they have spotted "maths" in our environment.

To support such an amazing cause, we are asking for a **£1 donation to the NSPC.**

## Hill Top Class

This week Hill Top Class have loved making their own bird and animal feeders. We had to think about the type of animal we were wanting to attract, what food they might like to eat and where best to put it.

We have enjoyed, cutting, mashing, mixing and peeling to create the perfect feeders. We will keep a watchful eye and see what comes to eat the treats!

**School Lunches – if you are wanting your child to have school meals, please ensure menu selections are made via ParentPay no later than 10pm on a Thursday evening for the following week.**
