Dear Parents and families,

Another super week in school with lots of great learning experiences taking place throughout the school. A particular well done to our Year 5 and 6 children who took part in our Bikability training course this week – lovely to see the enthusiasm from our children; well done to all! Huge thanks too, to our parent helpers who braved the cold and windy weather this week too, to support the children when out and about on the roads – we couldn't do it without you!

As always, take care and stay safe,

Gill

Being the smallest doesn't stop you having the biggest ideas.

Eleven-year old Noah sneaks along on his big sister's geography field trip. Everything goes wrong! Six kids are marooned on an uninhabited island. Their teacher has vanished. They're hungry. Their phones don't work and Noah has broken the internet. There's no way of contacting home . . . Disaster!

Until Noah discovers a treasure map and the gang goes in search of gold.

Bikability: Years 5 and 6

This week, our Y5 and Y6 cohorts have been busy on their bikes, trying to gain their Level 2 cycling certificate through Bikability. Children have been on the roads around Flookburgh, learning how to make good and frequent observations and how to choose the most appropriate riding position. Level 2 also involves the children's ability to communicate their intentions on the road through their understanding of junctions and right of way. Our instructor Bryan was so impressed with the children that took part and said that they were lovely to work with. All of the children that took part in the assessment passed Levels One and Two and had a great time! Also, a huge thank you to our parent helpers that volunteered to assist the children, we are extremely appreciative and thank you for your support.

School Lunches – if you are wanting your child to have school meals, please ensure menu selections are made via ParentPay no later than 10pm on a Thursday evening for the following week.
