Dear Parents and families,  
It is wonderful to finally be back in school this week; it has been lovely to be with the children and staff team again. Thank you also for all of your well wishes, myself and Miss Horne really appreciated them.

We are very grateful to all of our families for supporting us during this testing time and we hope our children currently not back in school, parents and family members recover soon. We wish you all a speedy recovery.

As always, take care and stay safe,

Gill

## BOOK OF THE WEEK

**The Smartest Giant in Town – Julia Donaldson, Axel Scheffler**

George is the scruffiest giant in town, so he buys a new outfit to smarten himself up. On the way home, however, he meets others who are in greater need of his clothes than he is, so he gradually gives away each new item of clothing.

His tie becomes a scarf for a giraffe and his shoe makes an ideal home for a family of mice.

When he arrives home, the animals he has helped are all waiting for him with a thank you present.

The repetitive text in this lovely tale is great to read aloud and the colourful illustrations are full of amusing details

**Breakfast Club; with Mrs Shaw and Mrs Pett. 8:00am – 8:45am**

**Attendance Week Ending: Friday 18<sup>th</sup> March 2022**

**Hill Top Class – 93.39**

**Dove Class – 91.25**

**Wainwright – 91.0**

**Whole School: 91.7**

Unfortunately, afterschool clubs are currently postponed however, we hope to have these up and running again as soon as we can.

## CLASS CHAMPIONS

HUGE Congratulations to this week's Class Champions:

**Hill Top Class:** Amber, thank you for being such a great helper. Mrs Shaw was so impressed with your beautiful reading and use of expression.

**Dove Class:** Sophie, you lead and directed your group when doing the layers of the rainforest with clear communication and kindness making sure everyone had a part to do. You're always kind and considerate and could be chosen any week for so many things but for this you really stood out! Well Done!

**Wainwright Class:** Harry, the care and precision you used to sculpt the clay during our artwork on Monday was fantastic. You worked really hard and I love your 'flower bowl'!

## Wainwright Class

Wainwright Class have been looking at states of matter in their science lessons. We have been exploring the unusual properties of corn flour and water this week and why it can take the form of both a solid and a liquid. After playing, exploring and experimenting, we thought of ways in which this type of substance would be useful in our everyday lives. We researched the developments of the unusual properties of corn flour and how they could be useful in bullet proof vests and to fill pot holes on the road.

## WORLD DAY OF PRAYER

This year, we used the theme 'thankfulness' to celebrate 'World Prayer Day'. Each of us thought about reasons why we were thankful, then sent our prayers off by rippling the parachute. As this year's 'World Prayer Day' was being hosted by the UK, we also followed a tour of the UK trail and learnt facts about each place we stopped.
