BOOK OF THE WEEK

The Baddies – Julia Donaldson and Axel Scheffler

The Baddies are the meanest, nastiest ghost, witch and troll in the land.

They just adore being bad, and fight over who is the worst.

When a little girl moves into a nearby cottage, the Baddies can't wait to scare her out of her wits.

But the little girl quickly shows them that you don't have to be big to be brave, and baddies don't always win.

A huge well done to Mrs Sue Wymer who received her Educational Chaplaincy certificate from Rev. Jane Maycock at her commissioning service held in St John the Baptist Church on Sunday 25th September. Sue is a regular feature in school, delivering Collective Worship twice a week as well as supporting the children in class with such things as maths and reading. She also runs our Tuesday lunchtime Ethos Club so, a very busy lady!

Rev. Jane Maycock is also a regular visitor to school, increasing her time with the children and staff through supporting the R.E. curriculum with visits to church; bringing in artefacts for children to find out about and, question and answer sessions, etc. St John the Baptist church has also had a 'make-over' with a newly refurbished children's corner including a 'reading rug' from school to add the finishing touches!

If you want to get in touch with Jane, her contact details can be found below.

Wainwright Class

On Tuesday, Wainwright Class went to Cartmel Priory for a fun day based around the theme: 'Rescue'. There were 6 different workshops which children could engage in, including drama, artwork, singing and games. We met and made friends with lots of children across our 7 cluster schools, which will be really beneficial as our Year 6 children begin to think about their transitions to secondary school. We would like to say a huge thank you to all the organisers of the event, including the group leaders and workshop leaders- the children loved it and there was such a lovely atmosphere throughout the priory during the whole day.

Take part in the Cumbria SEND Partnership Annual Survey on the Local Offer website

Cumbria's SEND Partnership calls for parents and carers to share their views in the Annual Survey

Dear parents and carers,

The SEND Partnership are writing to all families of children with special educational needs and/or disabilities (SEND) to ask you to complete our annual survey about your experiences.

The Partnership wants to find out what effect the improvements made so far by the SEND Improvement Programme have had, and what they need to do next to continue to make things better.

There are separate surveys for those whose children have an Education, Health and Care plan (EHCP), those whose children do not have an EHCP and for children and young people themselves. You can find the survey on the Local Offer website or by using the links below that will take you directly to each survey.

This is [an easy read short survey for your children and young people to tell us what they think about the support they receive](#). We would be very grateful if you could support them to complete it.

You have until the end of September 2022 to complete the survey. Your feedback will help shape improvements in SEND services and support for the future.

We are very grateful for your time and for helping us to continue this essential work to better support children and young people across Cumbria.
