BOOK OF THE WEEK

There once was a boy who was going to be king one day . . . From the Nation's Favourite Storyteller Sir Michael Morpurgo comes a poetic celebration of our new monarch, King Charles III, beautifully illustrated in watercolour by acclaimed artist Michael Foreman. There once was a little boy, born a prince. Encouraged by his parents, he grew up with a passion for the countryside, wanting to look after it. Then, as the longest-serving Prince of Wales in British history, he dedicated decades of his life to raising awareness for conservation. Now our king, his devoted work will continue to inspire the protection of our planet for future generations.
