## Book of the Week

Matilda's parents have called her some terrible things, but the truth is she's a genius and they're the stupid ones. Underestimating Matilda proves to be a big mistake as they, along with her spiteful headmistress, Miss Trunchbull, soon find out when Matilda discovers she has a very special power.

## Friends Of Flookburgh School

Hi All,

As you will probably know the Friends of Flookburgh school are teaming up with Ravenstown club to run a fun day on 15th July 2023. We would be very grateful if anyone can donate Tombola or raffle prizes. If anyone knows of any local businesses that might donate a prize we would be grateful if you could ask on our behalf.

We need as many volunteers to run the fun day as possible. There is plenty of jobs to do so any help you can offer would be much appreciated. If you are available and would like to join the fun please speak to Katie or Danielle.

On a final note, we would like to thank you for all your support this year. We are pleased with our fundraising efforts and will report our total in September. We are in discussion with the school as to how this money will be spent. All the profit we make directly benefits the pupils of the school.

Thanks again for all your ongoing support.
