GOVERNORS

Happy New Year from the Governors!!

The Governing board met this week virtually because of the snow and ice. It was great to hear how learning has got underway for 2024 and the exciting new projects that are underway including the 2 year old provision which is not long off now!

The Governors are a group of local people who meet 3 times a year to review how the school is doing in completing the School development plan- this is a plan all about the school community priorities. People who are governors may have a family member at the school, may have experience working in education or be part of the community in a different way. Some of the Governors also meet a second time in the term to talk about the curriculum developments.

The current governors have a church member, someone who works with autistic people across Cumbria, a member of staff as well as a parent. The Governors are there to look at the school plans and then ask questions about how this plan is being developed.

We always want to make sure that we have questions from lots of different viewpoints and so are looking for 2 governors to join us from the school community- are you a carer, parent or grandparent of someone at the school? Could you give around 8 hours per year to meet with other Governors and make sure that Flookburgh school stays 'on track' with the goals it has set itself? Full training is given and some employers even give time towards volunteering in a role like this.

If you would like an informal chat with someone about what is needed- please contact the Chair (Rowena) about how you could get involved.

BOOK OF THE WEEK

First Term at Silver Spires
by Ann Bryant

Recommended by Imogen Rowlandson-Benson, Year 5

It's a really good book about a boarding school. The best part is when the main character, Mia, wins a music competition. I've just got the next book in the series.

Rating: 4/5
